WHAT CHILDREN SAY

“I would like to live in a big house and have a garden so that I can play football with my friends and big brother. If I had my own bedroom I would paint it green and have all my Power Rangers and Action Men on the cupboard because now I have to put them away in a box because we have no room.”

Anton, age 6 years – London, England

CARITAS ACTS ON THE GROUND TO ASSIST FAMILIES FACING POVERTY AND PROPOSES POLICY CHANGES

Ensure that accurate statistics on child poverty are available at European Union and Member State level in a timely manner, to measure the effectiveness of policies.

THE EUROPEAN COMMISSION RECOMMENDS

“Improve the timeliness of data availability to monitor the situation of children, assessment of the potential impact of policies on children.”
